Exchange or Returns

Refund & Exchange Policy

1. If for any reason, you are not satisfied with our products, you may return them within 30 days of purchase, the company will refund one hundred percent (100%) of the price, less applicable bonuses to you on unopened and resalable products.

2. All products are returnable if the product is in the same condition as when purchased including the product packaging or if you discover the product defects.

3. The Company does not refund the original shipping costs on products that you return.

4. The form of the refund will be based on the original form of payment. Instead of a refund, the company may choose other alternatives such as a product credit. The return of products may affect your eligibility to receive bonuses and your Mastership, and if bonuses have already been paid on the returned product, then the company will recoup your bonuses.

5. The company will exchange products purchased directly from the company that are incorrectly sent, or are defective, if you notify the company within thirty (30) days of the date of purchase.

6. You must comply with the following procedures to obtain a refund or exchange;

- i. You must return the product to Atomy Oceania Pty. Ltd. during office hours together with the original sales receipt.
- ii. All return shipping cost (if any) must be paid by you unless the product is defected.
- iii. Products sent to the company without prior company approval will not qualify for a refund or exchange and will be returned to you at your expense
- iv. Procedures may vary in jurisdictions where different requirements are imposed by law.
